Jenkins & Gilchrist File No. 27771-00210

Dear Kuang:

Adam Lee has identified you as a co-inventor of the above-referenced patent application which was filed on March 3, 1997. Enclosed is a copy of the application for your convenience.

We must now file a Declaration and an Assignment for the above-referenced patent application. Enclosed is a Declaration and Power of Attorney and Assignment for your execution.

We are now in an extension period for filing the declaration. Therefore, I would appreciate your immediate attention in executing the declaration and returning that to me for filing with the Patent Office.

Please also execute the enclosed assignment and return it to me at your earliest convenience. If you need assistance in obtaining a Notary Public, please let me know and I will assist you. However, please don't hold the Declaration until the Assignment is completed because the Declaration is time critical. We can work out execution and filing of the assignment at a later time if necessary.

I look forward to receiving from you the executed documents. If you have any questions or comments, please do not hesitate to contact me.

Sincerely yours,

Jeffery E. Bacon
